Commissioner for Patents

***Response to Amendments***

The amendment filed on 07/12/06 is not fully responsive to the prior Office action because of the following omission(s) or matter(s): the Applicants' reply does not comply 37 C.F.R. 1.121 effective July 2003 because the amendment to the Specification does not include a clean copy (unmarked up copy). An unmarked up copy of the Specification is needed because when the application is issued an unmarked up copy of any amendments to the Specification will have to be submitted which would delay the patent process. Since the above- mentioned reply appears to be *bona fide*, applicant is given a time period of **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. Extensions of this time period maybe granted under 37 CFR 1.136(a).

This action is **NON-FINAL**. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ella Colbert whose telephone number is 571-272-6741. The examiner can normally be reached on Monday, Tuesday, and Thursday, 5:30AM-3:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Trammell can be reached on 571-272-6712. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Art Unit: 3693

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
